

## Secretary Report

Well this has been an unusual first year!

End of last year and beginning of last year went very well due to Doug's excellent arrangements... then Covid struck bringing a sudden halt to everyone's ringing plans and aims.

As a result of this I haven't drawn up a program, as yet, for the coming year, as at the moment there is no way of knowing when ringing would be able to return to "normal". Hopefully next year we will be able to hold our AGM and striking competition in a more traditional setting, and if so we hope that we can reschedule it for Sketty- as was this year's intention. Once we get the go ahead to resume social ringing I will arrange a program of events along the lines of previous years.

All Tower Correspondents should have received a draft risk assessment for use in your towers when resuming Sunday Service Ringing. If not please let me know and I will forward a copy .

As well as sending correspondence to Tower Correspondents I have also emailed direct those Members who have consented under GDPR rules. If you or someone you know would like the updates please contact me for the relevant form to complete. I have also kept our Facebook page updated – Swansea and Brecon Diocesan Guild of Ringers.
